

SCL 2017

The Seventh International Construction Law Conference

**Conference
Brochure**

10th - 12th November, 2017
India International Centre,
New Delhi

Invitation

Chairman's Message

The society of construction law India is honored to be hosting one of the world's most prestigious conferences in the field of Law i.e. The Seventh International Construction Law Conference at New Delhi from 10th to 12th November 2017.

Carrying on the reputable legacy from the Sixth International Construction Law Conference held at Sao Paulo, Brazil, which was attended by over 350 distinguished guests from more than 33 countries, this year SCL India seeks to create a gathering of lawyers, Judges, Academicians, Engineers, Architects and other professionals, from all over the world, working in the field of construction, for sharing and exchanging of experiences and ideas on relevant issues of importance to the construction industry worldwide. This would be achieved by the Extra-ordinary Line-up of speakers and researchers assembled from all over the world to present their ideas to, lead discussions and to hold working sessions with those attending the conference.

This primarily professional conference also gives an opportunity to socialize casually everyday at the accompanying events, luncheons and dinners and also to embark upon a journey of imbibing and celebrating the rich cultural heritage that India is globally known for.

The SCL Conference truly is the showcase for professionals working in the construction industry. It is a culmination of all the great work that is done every week across all SCLs, and therefore we at SCL India request your participation at this celebration of the commitment and indomitable spirit that makes our growing community unique.
